

Additional crowd forecasts with only one deadline

9 market questions · points colored by historical snapshot year · every plotted point has a dated trade record

Dates: end 2027 → 1 Jan 2028; end 2028 → 1 Jan 2029. A lone deadline provides a point, not a probability curve.

Quotes can be stale; exact trade dates, account counts and rule caveats are in the CSV. Cloned markets share resolution and may share traders.
